Subject: RE: Tribal Council agenda

Hi Adam, I confirmed with Jeff – he agrees that there's no need ask Ed to go to the Warm Springs unless there's a problem, which at this point there isn't, so you can plan for just you to do the Warm Springs update on August 12th.

I'll also follow up with Wenona, and let her know I don't see a need for ECAD in the funding summit discussion on 8/6.

Thanks,

Peter

Apologies for the delay.

That date works for EPA, but is there any way we can move to afternoon to allow for Monday AM travel time?

Thanks.

Good morning,

I am working on the agenda for August and have tentatively placed a hold for you for the monthly EPA and CTWS leadership meeting for August 12th at 11 a.m. Please let me know if that will work.

Thanks
